

QUALITY PARTNERSHIPS contributed to the activities of the Swiss Chinese Chamber of Commerce Beijing by holding a seminar for its members on 1 June 2010.

The seminar, 'Market Access for Products and Services in China: Regulations & Standards', was part of the Chamber' Quality Control and Regulatory Affairs Forum.

The enclosed extract is taken from the journal of SwissCham China, 'The bridge', 2010 issue 23.

For the whole issue and more information about the Chamber please visit www.swisscham.org/bei.
