

Catalogue of Products Subject to Compulsory Certification

1. Electrical wires and cables

- Cord sets
- Insulated cables (wires) for railway vehicles of rated voltages up to and including 3KV
- Polyvinyl chloride insulated cables of rated voltages up to and including 450/750V
- Rubber insulated cables of rated voltages up to and including 450/750V

2. Switches for circuits , installation protective and connection devices

- Plugs and socket-outlets (for household and similar purposes, and industrial purposes)
- Switches fixed electrical installations for household and similar purposes
- Appliance couplers (for household and similar purposes, and industrial purposes)
- Thermal-links
- Enclosures for accessories fixed electrical installations for household and similar purposes
- Cartridge fuse-links for miniature fuse

3. Low-voltage electrical apparatus

- Residual current protective devices
- Circuit-breakers
- Fuses
- Low-voltage switchers (connectors, switch-connectors, and fuse-combination units)
- Other protective equipment for circuits
- Relays over 36 V
- Other switches
- Other devices
- Low-voltage switchgear and control gear assemblies

4. Small power motors

- Small power motors AC/DC over 36 V with rated energy consumption of less than 1100 W

5. Electric tools

- Drills
- Screwdrivers and impact wrenches
- Electric grinders
- Sander
- Circular saws
- Electric hammers
- Spray guns for non-flammable liquid
- Electric scissors
- Electric tapping machines
- Reciprocating saws
- Internal concrete vibrators
- Electric chain saws
- Electric planers
- Electric hedge trimmer and electric grass shears
- Electric routers and edge trimmers
- Electric stone cutters

6. Welding machines

- Portable AC arc welding machines
- AC arc welding machines
- DC arc welding machines
- TIG (Tungsten Inert Gas) arc welding machines
- MIG/MAG (Metal Inert Gas/ Metal Active Gas) arc welding machines
- Submerged arc welding machines
- Plasma arc welding machines

- Plasma arc cutting machines
- Electric shock protective devices for arc welding machines
- Electrode holders
- Coupling devices for welding cables
- Resistance welding machines
- TIG welding blow lamps
- MIG/MAG welding torches
- Wire feeder for welder

7. Household and similar electrical appliances

- Household refrigerators and food freezers
- Electric fans
- Air-conditioners
- Motor-compressors
- Household washing machines
- Electric water heaters
- Room heaters
- Vacuum cleaners
- Appliances for skin and hair care
- Electric irons
- Electromagnetic cookers
- Roasters (portable grills, toasters, waffle irons, and similar cooking appliances)
- Electric food processors (food processing machines and kitchen machinery)
- Microwave ovens
- Cooking ranges, hobs, ovens, and similar appliances (such as: stationary roasters, fixed grills, and similar cooking appliances)
- Range hoods
- Appliances for heating liquids and water dispensers
- Electric rice cookers

8. Audio and video apparatus

- Active loud speaker systems, with a rated maximum sound power output below 500 W (R.M.S.)
- Audio power amplifiers
- Various broadcast band tuner receivers and radios
- Recorders and players for audio and video, covering all kind of media carriers such as cassette tapes, laser discs, DVDs; and combinations of sound/vision apparatus
- Power adapters for audio and video products (including charging and discharging devices)
- Color television receivers of various display types
- Display monitors
- Picture/display tubes
- Video recorders
- Electronic organs
- Antenna amplifiers

9. Information technology equipment

- Personal computers
- Portable personal computers
- Display units connected with computers
- Printers connected with computers
- Multiplying printer and copying machines
- Scanners
- Computer built-in power supply and power adapters, chargers
- Computer game players
- Learning machines
- Duplicators
- Servers

10. Lighting appliances

- Luminaries
- Ballasts

11. Telecommunications terminal equipment

- Modems (including card)
- Facsimile machines
- Fixed telephone terminals and additional devices of fixed telephone set
- Cordless telephone terminals
- Key-Phone systems
- Mobile Terminals
- ISDN Terminals
- Data Terminals (including card)
- Multimedia Terminals

12. Motor vehicles and safety parts

- Automotive vehicles type: M, N, O
- Motorcycles
- Fire trucks
- Seat belts
- Horns for vehicles and motorcycles
- Retro-reflectors for vehicles
- Brake hoses
- Automotive exterior lighting and lighting signal devices
- Vehicle mirrors interior trimming materials (organic materials if larger than 356mm x 100mm)
- Door locks and door hinges
- Fuel tanks
- Seat headrests
- Motorcycle mirrors
- Motorcycle lighting and signal devices
- Motorcycle engines
- Helmets for motorcycle users

13. Motor vehicle tyres

- Passenger car tyres
- Truck tyres
- Motorcycle tyres

14. Safety glass

- Safety glass for road vehicles
- Safety glass for buildings
- Safety glass for railway rolling stock

15. Agricultural machinery

- Equipment for crop protection
- Tractors

16. Firefighting equipment

- Fire alarm equipment
- Sprinkler products
- Extinguishing agents
- Building fire components (fire insulation windows)
- Foam fire extinguishing equipment
- Firefighting equipment
- Fire Hoses

QUALITY PARTNERSHIPS LLC

17. Security and Protection Products

- Detectors for intruders
- Burglar alarm control units
- Vehicle anti-theft alarm systems
- Anti-theft safes

18. Wireless LAN products

- Wireless LAN products

19. Indoor decorating and refurbishing materials

- Solvent coatings for woodenware
- Porcelain tiles
- Concrete admixtures

20. Toy products

- Child carriers
- Electric toys
- Plastic toys
- Metal toys
- Launching toys
- Dolls

21. Information security products

- *Secure operating system products*
- *Isolation and exchange of information security products*
- *Secure routers*
- *Security audit products*
- *Secure database system products*
- *Anti-spam products*
- *Firewall products*
- *Intrusion detection system products*
- *Data backup and recovery products*
- *Network security separated cards and line selectors*
- *Network vulnerability scanning products*
- *Site restoration products*
- *Smart card COS products*

The section on Information Security Products was deleted from the CCC catalogue. Nevertheless, these products require CC-IS certification in public procurement processes
